January 2009

Happy New Year from all of us at Live Oak Media!

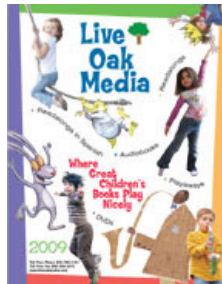

Our new year begins with the mailing of our 2009 catalog - look for it in your mailboxes anytime now. Please email us at info@liveoakmedia.com if you don't receive one. We're also finishing up inventory and getting our warehouse in shape for the coming year. It's important to us as a small company that we all work together to service our customers and to get our orders processed, picked, packed, and shipped in a timely manner -- and as you

can see our staff has a relaxed, fun attitude while doing it! We couldn't do what we do without the amazing efforts of Vicky, Paulanna and Elisha (from left to right) Check out those fuzzy slippers!

5 Things We Wish for in 2009

*Our productions to release during the months we've announced them in the catalog.

*Schools and libraries to get increases in their audio budgets.

*Publishers will keep in print the books we're producing on audio.

*Suggestions for fabulous Spanish books to produce on audio - send us

your suggestions! (Visit [our website](#) for more info.)

*More support for schools and libraries from the new Obama administration?

*AASL in North Carolina - we love those school librarians!

*Feedback from our customers via our website and newsletter - we really do want to hear from you.
